

SUBJECT: Identifying and Reporting Rural Development Assistance to
Rural Development Employees, Relatives and Associates

TO: Applicant

To assure the high standards of honesty, integrity, and impartiality maintained by Rural Development employees, we need to identify any Rural Development assistance to be provided to Rural Development employees, their relatives, or their business or close personal associates. This includes insured or guaranteed, loans or grants, to individuals or organizations. If you know of any relationship or association you may have with a Rural Development employee or closing agent, please attach the information requested below. Your response will allow us to make special provisions for processing, but will not affect your application status. Thank you for your cooperation.

RURAL DEVELOPMENT

Please sign one of the following statements and return with your application.

TO: Rural Development

To our knowledge we have no relationship or association with any Rural Development employee.

Applicant

TO: Rural Development

We have a relationship or association with the following Rural Development employees. Please see the separate attachment listing the employee's name, position, and office location and a description of the relationship or association.
